Open The Book

We had a good initial planning meeting for this exciting project. Two schools are interested in taking part. There are a few people interested in helping but we need one or two key people to deliver it. This involves planning the schedule and organising the issuing of props. Please consider whether you would like to get involved, A good video overview of the project is available via our web site www.biggleswade.org/churches. Also copies of one of the books will be available to each church. The next planning meeting will be at Trinity on Thursday April 7. All welcome!

Café Mocha

The café will be closed for several weeks now for major refurbishment. You can follow progress at www.facebook.com/CafeMochaBiggleswade
